**The author(s) hereby declare and agree that:**

- the submitted manuscript constitutes the author's/ authors' own original work and has not been plagiarized, in whole or in part, from any previously published or unpublished work;
- all listed authors have made a substantial scholarly contribution to the manuscript and are willing to take public responsibility for its content;
- all authors have read, reviewed, and approved the final version of the manuscript as submitted;
- the manuscript has not been previously published and is not currently under consideration for publication elsewhere;
- the text, illustrations, tables, figures, and any other material included in the manuscript do not infringe upon any copyright, moral rights, or other proprietary rights of third parties.

The author(s) further agree that, upon acceptance for publication, the article will be published under the Creative Commons Attribution-NonCommercial 4.0 International License (CC BY-NC 4.0). Under this license, third parties may copy, distribute, and adapt the work for non-commercial purposes only, provided that appropriate credit is given to the original publication and authors.

The author(s) retain full copyright ownership as well as all moral and other proprietary rights in the work.

The author(s) hereby indemnify and hold harmless Maurer Press and the editors of the book series/journal against any loss, damage, cost, or expense arising from claims or legal actions by third parties related to copyright infringement, unlawful content, or any breach of the warranties stated above resulting from the publication of the article.

The author(s) further warrant that the manuscript contains no libelous, defamatory, or unlawful statements and does not include material or instructions that could reasonably be expected to cause harm or injury.

If the manuscript is not accepted for publication, this agreement shall be deemed null and void, and neither the publisher nor the editors shall acquire any rights to the submitted material.

This Copyright Agreement Form must be signed or otherwise formally ratified by all authors. Authors affiliated with different institutions may submit separate copies of this form; however, all declarations must be authentic and attributable to the respective authors.
